30 years driving innovation in

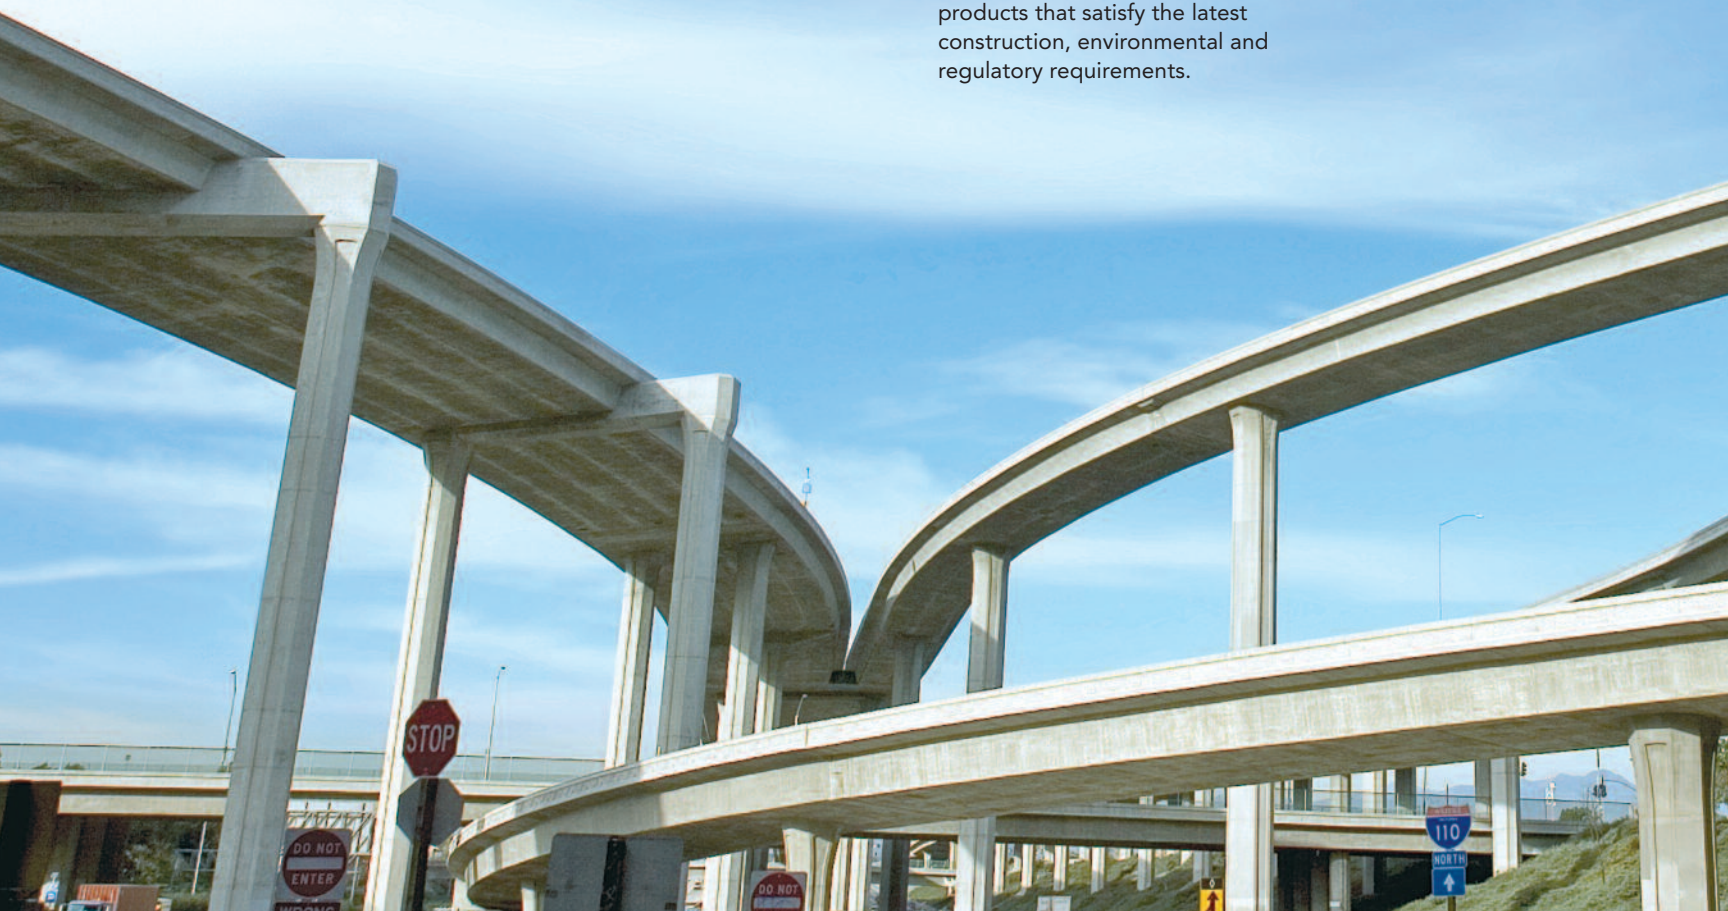

Innovation in manufacturing

With our proprietary chemistry, extensive research and development, Vexcon has built a reputation for innovation. As a vertically integrated global producer of specialty polymer resins, Vexcon is uniquely positioned to develop breakthrough, next-generation products that protect and improve the performance of concrete and masonry structures.

We continue to deliver new, cost effective, high performance products that satisfy the latest construction, environmental and regulatory requirements.

Construction products you need

Our extensive product line covers all aspects of concrete and masonry work - from new construction to repair and restoration, to maintenance and long term protection. We provide building materials for large scale infrastructure, commercial, industrial and institutional projects as well as smaller residential jobs.

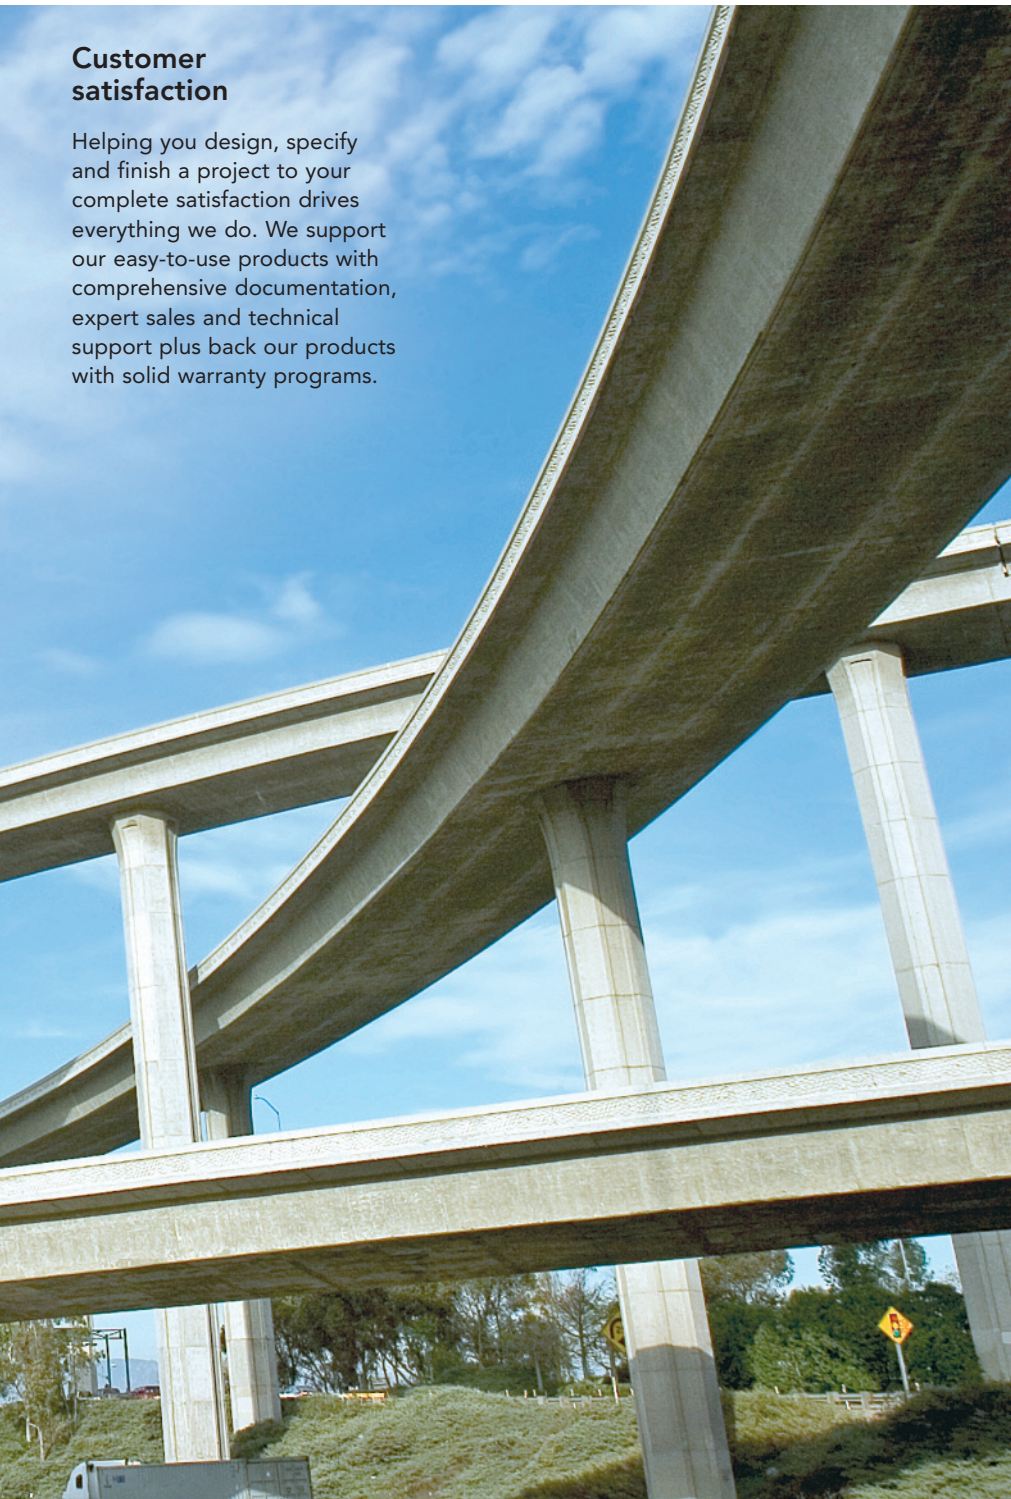

concrete protection

Customer satisfaction

Helping you design, specify and finish a project to your complete satisfaction drives everything we do. We support our easy-to-use products with comprehensive documentation, expert sales and technical support plus back our products with solid warranty programs.

Certi-Vex® & StarSeal®
CONSTRUCTION CHEMICALS

Paver Renew®
Rejuvenates and protects your concrete pavers

Visit vexcon.com or call 888-839-2661 to find out why construction professionals worldwide choose Vexcon products to protect and improve their building structures.

Concrete solutions designed to

Vexcon produces high-quality, cost effective building products to clean, protect, enhance and maintain concrete and masonry for a wide variety of applications.

Decorative Concrete

Transform any concrete floor into a visually appealing, durable, long lasting surface. Our variety of products can be counted on to give you consistent results to beautify, protect and extend the service life of your floor.

- Cure & Seal Coatings
- Epoxy & Urethane Coatings
- Liquid Floor Hardeners
- Polished Concrete
- Penetrating Sealers
- Concrete Coloring Systems
- Surface Preparation & Specialty Cleaners

Waterproofing

Protect concrete and masonry structures from the damaging affects of moisture penetration with our advanced waterproofing systems. Engineered for extreme weather, our products can be counted on for long term protection.

- Vertical High Build Coatings
- Epoxy & Urethane Coatings
- Surface Preparation & Specialty Cleaners

New Construction

Your single source chemical provider for new construction projects large and small. Our products consistently perform at the highest level to protect and improve the performance of concrete from the day it's poured.

- Cure & Seal Coatings
- Curing Compounds
- Epoxy & Urethane Coatings
- Concrete Coloring Systems
- Liquid Floor Hardeners
- Polished Concrete
- Penetrating Sealers
- Form Treatments
- Admixtures
- Grouts
- Bond Breakers
- Water Repellents
- Stain Repellents
- Vertical High Build Coatings
- Surface Preparation & Specialty Cleaners

satisfy your project requirements

Property Maintenance

Maintain and improve the appearance and service life of all horizontal and vertical concrete and masonry. Our easy-to-use products are designed to protect and preserve property from the damaging effects of weather and daily use.

- Repair Materials & Grouts
- Vertical High Build Coatings
- Water Repellents
- Stain Repellents
- Ice Melting
- Liquid Floor Hardeners
- Anti Graffiti Coatings
- Surface Preparation & Specialty Cleaners

Repair & Restoration

Repair, restore, enhance and protect aging and damaged concrete and masonry. Our product systems will improve the appearance while extending the service life of newly restored, horizontal and vertical surfaces.

- Repair Materials & Grouts
- Epoxy & Urethane Coatings
- Penetrating Sealers
- Vertical High Build Coatings
- Liquid Floor Hardeners
- Water Repellents
- Stain Repellents
- Surface Preparation & Specialty Cleaners

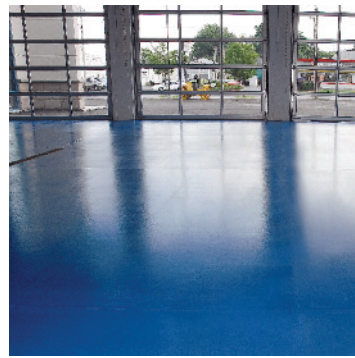

Protective Treatments

Control maintenance, repair and cleaning costs on masonry, concrete and other surfaces by limiting the damaging effects of weather, staining and wear. Our extremely durable treatments offer long term protection.

- Water Repellents
- Stain Repellents
- Cure & Seal Coatings
- Penetrating Sealers
- Liquid Floor Hardeners
- Epoxy & Urethane Coatings
- Surface Preparation & Specialty Cleaners

Flooring

Our integrated flooring systems satisfy the demand for high performing products that are also aesthetically pleasing. Our easy-to-use materials are designed to provide maximum protection and long term durability against weather, wear and staining while looking great.

- Cure & Seal Coatings
- Concrete Coloring Systems
- Epoxy & Urethane Coatings
- Penetrating Sealers
- Liquid Floor Hardeners
- Repair Materials & Grouts
- Polished Concrete
- Surface Preparation & Specialty Cleaners

Wall Coatings

Keep wall surfaces beautiful by limiting damage from the elements. Our premium exterior wall coatings offer long term protection in a variety of colors, gloss levels and textures.

- Vertical High Build Coatings
- Anti Graffiti Coatings
- Penetrating Sealers
- Concrete Coloring Systems
- Surface Preparation & Specialty Cleaners

Moisture Control

Prevent the costly damage of moisture vapor to flooring. Our products are guaranteed to control and reduce moisture vapor and preserve all types of floor covering materials.

- MoistureBloc
- Epoxy Coatings
- Surface Preparation & Specialty Cleaners

Green Products

Products designed to protect and improve concrete and masonry while leaving a lower environmental footprint.

- Cure & Seal Coatings
- Curing Compounds
- Epoxy Coatings
- Liquid Floor Hardeners
- Polished Concrete
- Repair Materials & Grouts
- Form Treatments
- Water & Stain Repellents
- Vertical High Build Coatings
- Surface Preparation & Specialty Cleaners

Hardscape Products

Clean, protect, enhance and maintain the appearance of concrete pavers. Our complete line features clear and coloring options designed to protect and improve the appearance and extend the life of concrete pavers.

- Protective & Joint Treatments
- Epoxy Coatings
- Ice Melting
- Surface Preparation & Specialty Cleaners

Customer Service & Technical Support

Get the answers and information you need fast from our experienced sales, customer service and technical support professionals. From requesting free product samples and literature, order status, and delivery information, to product recommendations, specification support and help answer your on-site questions, we're here for you.

Training & Field Support

We develop flexible and customized training programs to enhance your product and application knowledge.

We also provide job site support to make product recommendations and to ensure successful installation.
